Dear Customers,

We can't do anything about the weather, but we can do everything for our collection. We at Meindl have always focused on achieving premium quality and an excellent fit for our boots and shoes.

That's why in October 2015 our shoes were awarded by "Outdoor" magazine the "**2015/2016 Best Brand Award**" for the second time. The magazine's readers put us first place in the shoe category. We are proud of this award. It motivates and reinforces us to continue making high quality and functional boots and shoes.

Our broad collection has just the right thing for every taste, for every challenge and for every temperature. We have again extended our successful "365-Day" line with a new innovation so that these "365-Day shoes and boots" will enthuse your customers. The leather footbed can be

changed quickly and without any fuss for a sheepskin footbed to keep your feet comfortably and warm even on the coldest of winter days. Our Comfort fit® line has also been developed for all-year wear, allowing us to offer a full range from summer models to winter boots. These boots and

shoes guarantee all day comfort. The centrepiece is the specially developed Comfort fit® last combined with the first-class cork footbed.

Quality, function and comfort are especially important in winter. We use a 12mm sheepskin lining into numerous models, keeping feet cosy and warm, which we then combine with GORE-TEX® to guarantee they stay waterproof. This is especially true for our genuine double stitched classic boots which we combine with a sheepskin lining. This means a lot to us.

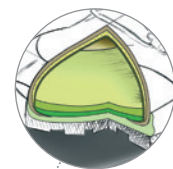

You see, whatever the weather, we have all the right answers with our boots and shoes. Thank you for your trust in us. We wish you the best of success in the new season!

With best wishes from Kirchanschöring

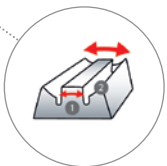

Your Meindl Family

Boots for every season

These models are not only for winter use. A number of technological features have been incorporated into these boots, making them extremely versatile.

Perfect walking comfort thanks to the lasted style

Sporty and elegant throughout winter

Be fashionable and also warm and dry throughout winter. The times are long gone when fashion had nothing to do with function and practicality. Meindl provides numerous styles, particularly for women, that meet every requirement in snowy, icy and cold weather. These high-quality boots are sporty and fashionable at the same time and look good with all types of clothing.

Winter boots - The classics

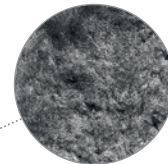

We have always been convinced that we should rely on craft produced by masters of their trade. We process the finest and best materials every single day. Only a few people are still able to foster this art. Our boots unite style and tradition - and you'll have faithful companions for many years to come!

More comfort – in every season

Comfortfit®

Huge demands are made of our feet every day. This is why it is all the more important to rely on well-fitting styles when selecting boots. The special Comfort fit® last shape allows more space in the toes and ball of the foot but it still has a secure heel fit. The broader foot and additional space provide optimal comfort. This is supported by the elaborately constructed Comfort fit® cork footbed. What makes it special is that the cork footbed is anatomically shaped. The cover can absorb a great deal of moisture, and the footbed has continuous cushioning and an integrated shock-absorber in the heel.

With the high-tech functionality of

Comfortfit® boot concept

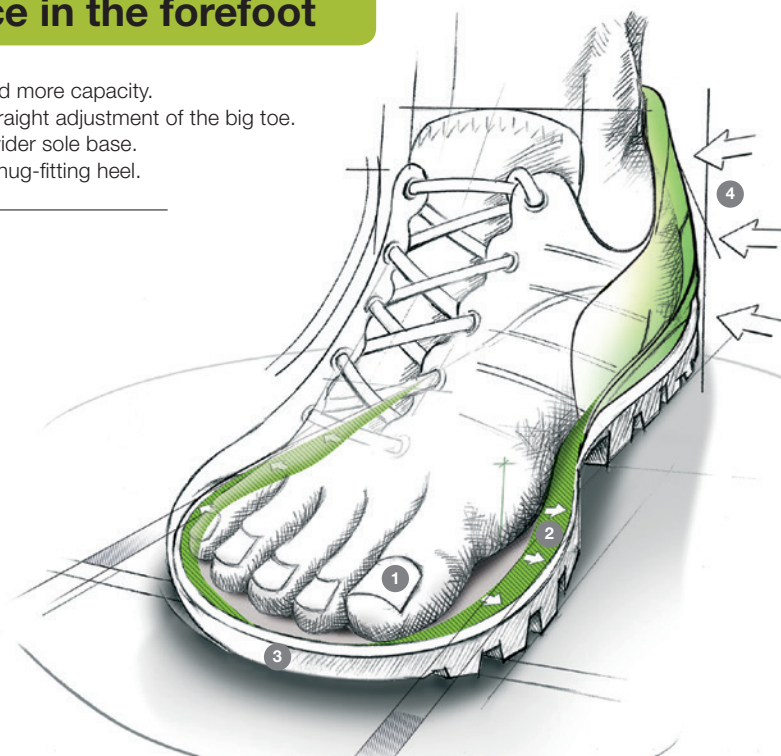

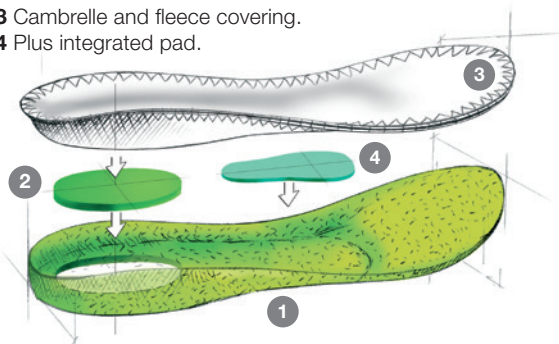

In comparison to a trekking last, our Comfort fit® last has more space at the front of the foot with a firm grip on the heel. You stand on a wider base. The defined rocker aides walking.

More space in the forefoot

- 1 More room for toes and more capacity.
- 2 More ball width and straight adjustment of the big toe.
- 3 Wider stance due to wider sole base.
- 4 Perfect fit due to the snug-fitting heel.

+ High quality cork insole

- 1 Cork insole with
- 2 Poron® shock absorber
- 3 Cambrelle and fleece covering.
- 4 Plus integrated pad.

Ready for every adventure

Make a snowman, have a snowball fight, go sledding – even in winter girls and boys prefer to be outside, so it's important that they're fitted with the right footwear. Your offspring will have warm feet in Meindl winter boots. And as our sturdy models are both colourful and equipped with a slip-proof rubber sole that grips on every terrain, little ones will stay safe when on the move. So bring on the winter adventure!

Removable Best-Fit insole

Grippy full-rubber sole with winter profile

Best-Fit Footbed for Children

that children's feet have enough room.

Ideally, a child's boot with a perfect fit will be around 12mm longer than the child's foot in the toe area. Our removable Best-Fit footbed allows a simple check to be made to assess whether the boots fits correctly. Children's feet grow up to 1.8 mm per month.

Cosy and warm feet in all types of winter weather

Our Canadian boots can be worn for a very wide range of uses. They are as suitable for walking in snowshoes as for other winter challenges. The well-insulated inner lining guarantees cosy and warm feet. The Meindl Ultra Grip sole with its concave cleats provides the best grip on smooth surfaces. The pyramidal construction of the cleats, distributed across the entire surface, means a perfect grip in the snow.

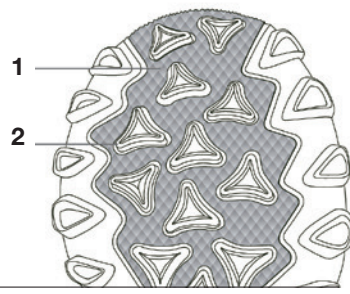

Warm feet thanks to a winter felt insole

With the high-tech functionality of

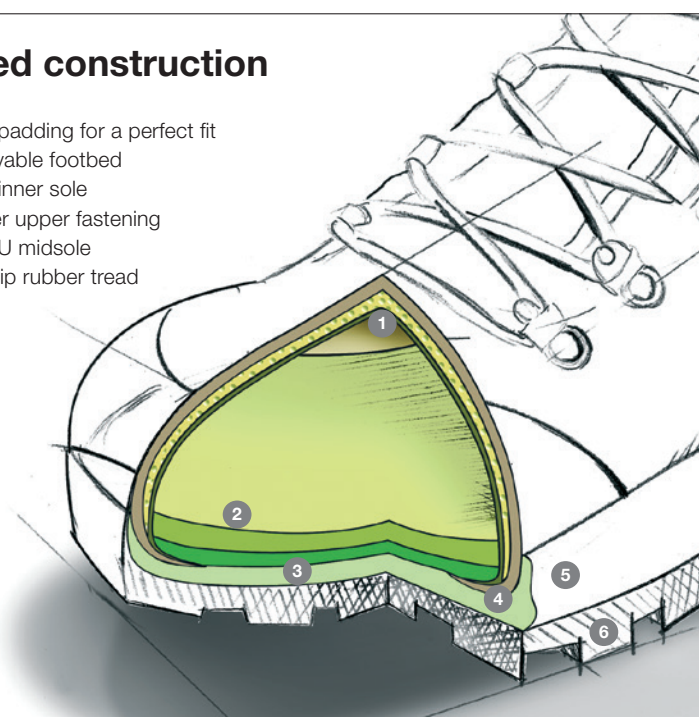

Meindl Ultra Grip sole

- 1 Rubber profile sole with claws throughout. The entire surface of the sole grips the snow.
- 2 Concave cleats offer better grip on smooth surfaces in all directions. They are flexible and adapt perfectly to the terrain.

Lasted construction

- 1 Foam padding for a perfect fit
- 2 Removable footbed
- 3 Nylon inner sole
- 4 Leather upper fastening
- 5 EVA/PU midsole
- 6 Non-slip rubber tread

The most comfortable climate with GORE-TEX® SURROUND™

Our GORE-TEX® SURROUND™ range by Meindl has impressed many people. The shoes are winners with their outstanding cushioning properties achieved using a spacer, which is used across the entire sole area. GORE-TEX® SURROUND™ technology is characterised by high levels of all-round breathability.

GORE-TEX® SURROUND™ Footwear

- Highly breathable all around and durably waterproof
- Keeps your feet dry and comfortable all around
- Ideal for moderate and warmer conditions
- Innovative sole construction with side ventilation outlets
- Guaranteed!
